

Fulfillment of the Salt Covenant of the Leadership Assembly: Love Message from the Doctors: Ozzie, Lillian and Aida

It is done, it is done, it is done!!!! Those were the words spoken by Dr. Deryl G Hunt over a year ago concerning the ministry of the healing of his body, and the suffering he undertook for the body of Christ. Dr. Hunt laid before us and submitted himself to the Father so that we might walk in the overcoming power of His Christ.

Prior to the celebration, the Lord had Dr. Hunt to take notice of the salt on his feet. He patiently waited for the revelation of what the salt meant. As he waited, he was watchful to see what the Father was showing him. On Thursday, more was revealed to him that the salt was the fulfillment of the salt covenant that the Father had made with him – namely, that the Father “would make him in the body”. Therefore, Dr. Hunt did not have to suffer a physical death because he has already died for us. The entire ordeal of the last year where Dr. Hunt suffered as he descended into the hell of the healthcare industry, evidenced his death. The medical doctors prognosed him as one whose days were short and who should get his affairs in order. As further evidence of his death, the Lord caused his spiritual doctors (Ozzie, Lillian, and Aida) to witness that Dr. Hunt’s feet appeared to be black which, naturally speaking, indicated necrotic or dead matter.

Dr. Hunt satisfied God’s requirement that the body has overcome the world, the flesh, the devil, and death. The Celebration on Tuesday night was no light matter, because it showed the overcoming power was not just in the head but in the feet which are representative of the body. The divine doctors were able to behold how the body joined with the head showing patience, watchfulness, and obedience in fulfilling God’s command “physician, heal thyself” Luke 4:23. Rom. 10:15 reads: “And how shall I preach, except they be sent? As it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!”

Sister Lillian testified that as she was washing Dr. Hunt’s feet, it appeared that mud was coming off,” which was a symbol of death occurring wherein the natural was returning back to the earth and allowing the Spirit to reign. This occurrence was no light matter, for scripture says in Ecc. 3:20 “All go into one place, all are of the dust and all turn to dust again.” Ecc. 12: 7 reads “then shall the dust return to the earth as it was and the spirit shall return to God who gave it. “ Finally, Heb.

Fulfillment of the Salt Covenant of the Leadership Assembly: Love Message from the Doctors: Ozzie, Lillian and Aida

9:27 reads “And as it is appointed unto men once to die, but after this the judgment:” The single death referenced in this verse stems from Adam’s fall. In Adam, all men die because under Adam’s reign, men are born with a human spirit that is disconnected from God. This is a form of death. Notwithstanding, there is hope for man as God has “mercy on whom he will have mercy, and whom he will he hardeneth.” Rom 9:18. The second Adam has come and in his (Christ’s) reign, we live.

The Lord made a covenant of salt with Dr. Hunt and the redemption of man has been made possible by the death, burial, and resurrection of Christ. The covenant of salt was a promise of God unto his leadership assembly that we would not die. Instead, God would “make us in the body.” That making refers to us being liberated from the death found in Adam and being made alive unto Christ. To this end, God has prepared members of his leadership assembly glorified bodies in which to inhabit and has blessed many to walk therein. All shall do so in God’s timing.

Spiritual resurrection occurred when the Christ of God brought many souls up out of hell. Hell in this instance is the medical industry (the Hospital) of which the Lord showed that His Christ had to endure.

The medical doctors used their instruments, to determine how much life was in Dr. Hunt. Likewise, God used His appointed spiritual doctors to determine how much life was in him. Dr. Hunt taught the medical doctors to proclaim life. The Lord gave the authority to Dr. Hunt that was once unto Adam (the first man) before the fall. Nevertheless, the Lord brought forth the second Adam in Dr. Hunt, the twin Christ, who has not failed God. It is done, it is done, it is done! The Lord has proclaimed that the Head (Christ), the body (leadership assembly), and the medical & spiritual doctors have all come into perfect agreement, and that is what the Celebration was about!

Now we the body of Christ have been perfectly joined together and anointed as it is with the head – not greater than, or at the same level, but nevertheless anointed.

To God be the Glory for the things He has done!

This speaks The Christ of God.
