

“The” Model

It has been said that Helen Ellison was “The” Ellison Model and The Lord ministered this day that this statement is true because God always speaks the end at the beginning. However, there is a process that takes place in order to bring His word to fruition. Of late The Lord queried us to simply consider what is a model? By definition, (oxforddictionaries.com) *a model is a person or thing regarded as an excellent example*. This natural understanding aids in opening our spiritual understanding. If a natural model can be viewed as excellent, then even more so, the spiritual model given us is Excellent. Recall, we have been shown by The Lord that we are “Excellent and getting better.” This Excellence is referring to Jesus Christ who is our Model or perfect example in everything as “He that saith [Christ] abideth in him ought himself also so to walk, even as [Christ] walked.” 1 John 2:6.

Perfectly Joined: Christ, The Head and Body

"We are joined together as one, your words are my words, and my words are yours, our hearts agree in every good thing. There is no separation between us. Of a truth my love, we are perfectly joined together".

The words / message of this song written several years ago still rings true, but now with greater understanding. Christ is not bodiless. Christ (The head) is not “The Model” without Christ (the body). Therefore when the head was declared to be Christ, the body was also (calling the ending at the beginning). During this process of declaration, mentorship is necessary to bring the mentee up to the full measure of the mentor (Christ). The clarity of what The Lord ministered in times past regarding this has been, “As my father is, so am I.” If my Father is Christ then I am also & I am that I am because of “I am”. Hence, there is no separation between us.

The Lord showed we are able to boldly proclaim His Christ as “His Ellison Model”. There is nothing we need to fear with what The Lord has given us. The words he gives us to speak are sound words and word of faith. However, we are to speak in wisdom at the appointed place and within the timing of the Lord even as Jesus did in speaking to his disciples. (Then charged he his disciples that they should tell no man that he was Jesus the Christ. (Matt 16:20)

A Prepared Heart

There is a terrestrial place (below/earth) and celestial (above/heaven) place. Some have taken celestial to be a higher level of terrestrial. Celestial, however, is not physical. Some think of a higher level of terrestrial in terms of the streets paved with gold and other luxuries of heaven as foretold in stories. When it was spoken that Jesus was going to prepare a place in the father's house (John 14:2), this was not a literal place described in scripture (And the twelve gates were twelve pearls: every several gate was of one pearl: and the street of the city was pure gold, as it were transparent glass. Rev 21:21). This was not a temporal place, but rather a place of life forever more. God has called that our thinking and speaking would be celestial though we live in the physical bodies.

He has gradually blessed his people to come to the understanding of who we are. For example:

GOMA was first introduced a young child

GOMA was shown to be God's Ordained Minister Appearing

GOMA was shown to be Dr. Hunt

We were shown to be GOMA

This progression of learning who we are has continued. Therefore, with great boldness He has today blessed us to declare that:

BY THE GRACE OF GOD:

- I am GOMA
- I am Christ
- I am an Overcomer of the world, the flesh, the devil, and death
- I AM THE (ELLISON) CHRIST MODEL

In making these declarations, we find covering of the Lord in prefacing our words with, "BY THE GRACE OF GOD", I AM ...

By putting God between us and the declaration of who we are allows Him to speak on our behalf. This brings us full circle back to The Ellison Model as evidenced by, Helen Ellison.

The Lord called for Helen, Tom, Lillian and Dr. Hunt to go on a ministry trip to the west coast of the U.S. While on the road, the Lord ministered many things, one of which was that Lillian and Helen should loan \$50,000 each to the Community Homeowners Group (CHG). There was no hesitation in either of them as the Lord revealed that He prepared their heart to receive what he had spoken about giving. Likewise, the Lord has prepared our hearts to receive Him. All may not come to the realization at the same time, but in His timing, we all are given opportunity to give back to him with the prepared heart he first gave us.

The declaration of who we are is not to be broadcast to all. Rather, it must be revealed in wisdom only to those whose hearts have been prepared by our Father to receive His Christ.
