

The Westward Trip

Testimony#1

Tom did the initial prayer as we started our westward journey. As we were between Orlando and Wildwood, we experienced our first miracle. Tom was driving about 80 miles per hour when a huge truck started to come into our lane. The enemy tried to take us out. There was a little shoulder on the left side of the road, consequently we were riding in the grass as the Lord steered the vehicle back on the road way. This was not an accident. The Lord want to prove to us that He was in our presence by way if His Christ in the earth. When the tractor trailer truck started to move into our lane, we were all at peace, the "peace that passes understanding". Lillian nor Helen yelled or scream. Tom was asked if his heart was betting rapidly. His reply was no. Off to Cordele

Testimony#2

Since Our First Report, the Lord has performed mighty works. First work was done at the table in the Lord's House in Cordele. Pastor Grant, pastor of the Church that James Palmer attends. He was invited to breakfast at the Cordele House. He came early to sit at the Lord's Table. After breakfast, he desired to be blessed of the Lord and followed Dr. Hunt as he surveyed the work on the Lord's House. Pastor Grant was initially resistant to ministry that Jesus is the Christ. But through the prayer of the Palmers, he was compelled to want to be anointed by Dr. Hunt's anointing. Dr. Hunt informed him that he raised up his pastors to handle matters like this, consequently, he turned over to one of the Lord's Pastors, Pastor Ellison, who anointed Pastor Grant as he desired and ministered to him that he needed to thank God. The Pastor told Grant, Jesus was Mary's son, and it was not until Jesus was overlaid with the Spirit of Christ then God declared that "this is my beloved son, in whom I'm well pleased". A few days later the report to us was that Pastor Grant taught his Bible study class that Jesus is the Christ. Many his members had left the church, however three members returned to the church.

The Lord performed His second mighty work in Jackson, Mississippi as we were being given a tour of Jackson by Floyd & DaVina Hoyt. As we drove through many neighborhoods, the Lord showed later the Principality of the Jackson/New Orleans area had been thrust forth as we drove past the Old Capitol buildings in Jackson; more specifically that the enemy was hiding out in Jackson and seeking to set a trap for us in New Orleans. The Lord showed that while the plan called for us to drive to New Orleans. There was no need to go to New Orleans as the work had been done in Jackson. We conducted some research in Jackson at an alternative school that houses youth offenders from grades 4-12. The Lord blessed the children in the alternative school. We also visited a Christian after care program that was primarily white. We blessed the children and their parents. We prayed with the owners and toured the facility.

We moved on Austin, Texas. The Third leg of the work was performed in Austin/San Antonio area. The Lord showed that the work was in the San Antonio

area, but He did not show where. As we were using the navigational system for locating the city center, when it directed us to exit before we got where we headed, and the Lord was in charge at that point. We ended up at dead end street in a area at “the Lewis Ranch”, and the Lord showed that it was no accident, and this was where the work was. The enemy was hiding out in a populated area of 1882, called Garden Ridge. The Lord called for one of His Pastors to thrust forth the Principality over the Austin/San Antonio area. Ordinarily, the Lord did not have to speak to the enemy as his mere presence would suffice, but he spoke to the enemy to teach us how do spiritual warfare. Another blow was struck to the enemy’s kingdom.

Testimony #3

The second part of the work in San Diego was unto Duff Tennant and his brothers. Duff is the Lord’s man in San Diego.

At this time Duff is likened to Jonah, one who has been running as far away as he can from the words the Lord

has spoken concerning him. He plans to open a bed and breakfast in Italy. We prayed that the words that were

spoken would run him down as it did Jonah to bring him back to the words of the Lord. Then we met Duff’s brothers

and prayed a blessing upon them. One of Duff’s brothers understood The Ellison Model as it was explained to him,

and stated “I could teach this to others”. This ministry was a token of how the Lord by His wisdom was working in California.

The Golf ministry has been a “mountain golf” one in which the Lord has given much favor to skillfully play the game. It started at the Buffalo Thunder Casino and Golf Resort in Santa Fe New Mexico and continued in San Diego, California, where the “T Boxes” were elevated hundreds of feet above the fairways with hazards of brush, rock, and riparian areas that included poison oak, and rattlesnakes. The Lord blessed Pastor Ellison to play the best golf he has ever played to date. We were blessed to have lunch and dinner with the Gwynn's, lunch before Golf at a championship Golf course in the area and dinner after.

Lillian and Helen met with three school principals. One principal ran an after school program that has been in existence since 1998. They were experts and provided tremendous insight about grants and other vital information.

We were challenged in Los Angeles, which the Lord showed prior. The hotel said that we had canceled our reservations and they only had rooms on the smoking floor. The hotel worked it out and we got rooms on the nonsmoking floor. There were problems with the luggage of the Ellison's, which was misplaced, but later found. In Los Angeles the Lord went forth in his wisdom and power by way of his Christ in the deliverance of one of his daughters and a waitress that served us as we had dinner. The Lord showed that to someone looking on it looked and sounded as if we were engaged in foolishness and folly as we had dinner. He showed further, that the “foolishness of God is wiser than men”, and that the only one that could

deliver the two people indicated was his Christ His Christ being the one anointed to do the will of the one that sent him just it was with Jesus Christ.

The Lord taught us much about the Lord's Christ on the way to San Jose. He showed us the wisdom of God and the power of God, and that all things come through the Christ Spirit.

Testimony #4

On our way to San Jose, we stopped in Bakersfield to see Lillian's aunt and uncle. T

here was an event of a miraculous nature, a pickup truck blew the left front tire and spun

around in the road. The vehicle then went off the road, down the embankment, through a fence, settled

upright in a field, and the driver got out of vehicle. There was a prayer offered up that God would show mercy and He did, to the driver and to us.

At Roses home, the Lord blessed the house and those in it, showing the household that Jesus is the Christ. Christ being the power, the wisdom, the righteousness, the sanctification, and the salvation of God.

Further that Christ is the hope of glory, the Reconciler, the Restorer, and the Sustainer. The Lord took up a prayer for the Rose house hold where he dealt with the Relationship he want with us all (in the cool of the day ministry), Stamina, Health, and Strength of the inhabitants. Afterwards, the Roses testified that God had both answered their prayers and sent us to them.

In San Jose, the Golf ministry was engaged in again and the Lord showed favor, by way of a man, Fleming Mathis, a friend of Lillian's family who took us to a local course, and took care all our needs, club rentals, green fees, balls, and gloves. We thanked the Lord for Mr. Mathis, and the Lord blessed him. Helen and Lillian met with her brother and sister-in-law during the Golf ministry. Lillian's brother was used to secure our lodging at huge discount at a place he works called Hayes Mansion.

Testimony # 5

We are eastbound and the Lord has ministered many things about spiritual warfare and fighting the good fight of faith. Some examples are: "Thanksgiving to the Lord; Diligence in pursuit of spiritual things, Watchfulness, and Spending quiet time with the Lord". When the Lord shows that thanks need to be given to him; one needs to offer thanks as soon as it is shown. Prayers need to be offered up that God takes up the work of watching in us as soon He shows the need to be watchful. The Lord has taught us these things in times past, but the way He appealed to us during the trip was a personal one just as the original disciples were taught. It is important that we learn to utilize "quite time" to ascertain the things that God is declaring to us. We have before us one who has been a perfect example in these matters.

On the road again somewhere between Salt Lake City and Denver, the Lord took up ministry concerning “Fear”; in terms of the enemy trying to bring fear to his servant as we travel over mountains, canyons, and riparian areas. He taught that He had to speak “Peace” to himself, as often as the enemy tried to steal His peace. Just as the enemy is persistent in his attempts we have to be persistent in speaking peace to ourselves to deliver ourselves, otherwise someone will have to deliver us.

Testimony #6

The ministry on the road to Memphis was one in which the Lord showed to deviate from the route given by the Vehicle Navigation System as it seem to be leading us east to St. Louis, Missouri, and the Lord wanted us to go south to Springfield, Mo. As we looked to the Lord to get us on track for Springfield, He showed that there was a work there that Pastor Ellison had to do. The work was at Evangel University, a liberal arts and science Christian school for the Assemblies of God churches in America. The Lord had Pastor Ellison to thrust forth the Principality over the Midwestern area and establish the Spirit of Truth over the school. The Lord showed that He was very pleased with the work and we should thank him for the work He did at Evangel. A prayer of thanksgiving was immediately offered to the Lord by all for the great work in Springfield, Missouri.

Furthermore, the Lord showed that the work was a demonstration of His wisdom to get us headed in the right direction, although He blessed His people along the route we were headed initially, so nothing was wasted. Secondly, the work was a demonstration of his power in making things right at Evangel. Finally, the experience was also a demonstration of the watchful work of the servant of the Lord as it was noted that the Navigation system kept directing that we make a U turn and go back to I 70 east, if we had done so, we would have missed the work in Springfield, Missouri, and it would have taken us longer to reach Memphis.

Investing

The Lord shifted the ministry to “**Investing**”. He showed that the Lord determines what we need. The listening Servant hears that need and responds to giving as the Lord directs. Example, the Lord showed that Sister Linda had a need and the servant of the Lord met her need. The Lord remembered that act and provided for the Servant of the Lord seven fold. Consequently Duff gave money for the food for all us. The Lord provided for golf ministry at no cost, and the hotel accommodations in Denver and Memphis were paid for by points at no cost to us. These are examples of the Lord’s investment and return practices. Another example is the partnership arrangement between Sisters Lillian and Ozzie. The Lord joined them

together to purchase His house in Cordele, which they did at His direction. As they did, the Lord called on the Leadership Assembly to invest in improving and adding to the property value. When one invests in the world, there is no guaranteed of a return, but when we invest in the Lord, there is always a return on the investment.

Testimony #7

The ministry on the road to Cordele, Georgia was an inculcated one in which the Lord spoke about receiving His word as a word from God. When Deryl Hunt is “speaking to you, I ‘m talking to You” says the Lord (see Numbers 12). If you speak a word contrary to the word given, then you are fighting God and seeking to make God the liar and yourself the truth teller. Furthermore, once God shows you the error of your word, you will need to quickly acknowledge it to get back in good standing with God (see Ps. 51:1-19). The Lord made the point to show how the enemy works when it comes to offering an alternative to the word that God has said. An example that can be seen in the beginning is with Eve, when the enemy said “hath God said, Ye shall not eat of every tree of the garden” (see Gen. 3:1-4)? And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die (see Gen. 2:16-17). Look at how the enemy changed what was said to suit his purposes. This is the way of the soul to seek to make God’s word of non effect. The word of God is spirit and life, any other word is death.

The Lord showed that the behavior has gone on far too long from His Lillian (the church) and it’s about time for it to cease. It is a serious matter when we see how the Lord dealt with Moses’ brother and sister in their rebellion against the servant of the Lord. These examples show that the enemy works by deception and division, ever seeking to bring down the Servant of the Lord. The Lord showed that His Servant will not be fooled by the devices of the enemy.

The Jot, and the Tittle Testimony #8

There is a scripture in Matthew 5 that the Lord used during the trip to stop the mouths, it speaks to the “Jot and the Tittle” a teaching in which Jesus used in speaking to his disciples: “Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfill”. For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled. Whosoever therefore shall break one of these least commandments, and shall teach men so, he shall be called the least in the kingdom of heaven: but whosoever shall do and teach them, the same shall be called great in the kingdom of heaven”. The Jot represents the smallest punctuation mark in Hebrew writing. The Tittle is like unto it, together they

represent the smallest and or least important things in the writings. The message here is that heaven and earth can't pass away if these little things are not fulfilled. Put another way; all of God's word must be fulfilled just as He called the ending in the beginning. The Preacher tells us that "it's the little foxes that destroy the vine". The Lord used this illustration to stop the mouths of those that uses the name of Jesus in religious practices absent the Christ and claim that meant Jesus Christ = The Jot and the Tittle; Jesus Christ has to be preached to every creature before heaven and earth can pass away. All of God's word is significant, not just some of it, Jesus = the jot, Christ = the tittle.

We see how Naaman, the Captain of the host of the King of Syria, heard of a Prophet in Israel and went to see the man of God concerning his leprous condition. He had some notions as to what he thought the Prophet should do to him. Upon arrival, the Prophet sent word to Naaman that he should "go wash seven times in the Jordan, and thy flesh shall come to thee, and thy will be clean". Upon hearing this, "Naaman was wroth, and went away, and said, Behold, I thought, He will surely come out to me, and stand, and call on the name of the LORD his God, and strike his hand over the place, and recover the leper. Initially, Naaman did not received what was showed to him, but God showed him mercy, "his servants came near, and spake unto him, and said, My father, if the prophet had bid thee do some great thing, wouldest thou not have done it? How much rather then, when he saith to thee, Wash, and be clean? It does not work the way the soul thinks or wants it; it work as God has proclaimed. God's word cannot be changed by adding to or subtracting from.
