

Recently, Dr. Hunt had a dream where he was led into a temptation, just as Jesus was led into the wilderness to be tempted by the devil. The unfolding of this dream is a significant milestone for the leadership assembly as the head and body are jointly fitted as one man in Christ. This dream itself is filled with messages that points to not only the present-day challenges we face as Sons of God, seeing as how the devil would desire to sift us as wheat; but more gloriously, the example of how we too overcome by the power of the Lord's Christ. It is required that we hold fast to the Faith once delivered unto the saints; that the Word of God breathed of God might be believed by us, the people of God. Each is, therefore, admonished to read prayerfully as the Lord reveals the application of the dream to the believer's life.

### The Dream

Dr. Hunt had a dream where there appeared one as a woman with whom he had been familiar, socially. The *woman*, as the person appeared to be, was now engaged to another, yet she made attempts to lure Dr. Hunt toward her. "I've gotten over you years ago," Dr. Hunt commented. "Kiss me," she replied. The dream shifted, where now the *woman*, lying in a bed, seemed disfigured wearing bright red lipstick. Dr. Hunt refused the woman's kiss offering. Discerning that this was not a woman, he did rub the body of the person, and found one, who was of a hairy texture.

### Significance of the Dream

A key observation in the dream was that the temptation was brought through a familiar woman, one with whom Dr. Hunt had known previous. The familiar woman represented all things common and earthly, namely, the world, the flesh, and the devil. The bed represented a call to a defiled intimacy. In Dr. Hunt's refusal to go toward the woman in lust, saying, "I've gotten over

you years ago,” the enemy then transformed himself, and requested a mere kiss. This mere kiss, presented as an innocent request, was in fact the *kiss of death*, an attempt – though a failed attempt – by the enemy to get Dr. Hunt to seal a relationship with him. The bright red lipstick symbolized the *attention-grabber* trappings used by Satan to draw one’s eyes away from God toward the work of the enemy. Another significant aspect of the dream was Dr. Hunt’s hand rub over the body of the person. Dr. Hunt not only felt with his physical hand, but more importantly, he felt with the hand of discernment. It was spiritual discernment that provided insight to who this woman really was. Because Dr. Hunt was operating with the eye and the hand of God upon him, he could both see the disfigurement and feel the hairy nature of the person. Unfortunately many in the body of Christ have engaged in relations founded on the deception of the enemy. Not operating in the discernment of the Lord, too often the people of God are lured by Satan into places of a fallen intimacy, which without the mercy of God, there could be no recovery. The dream is summarized into three focal points:

- 1) The Life of Dr. Hunt as the testimony of the Lord (declaring victory over the world, the flesh, and the devil) evident when Dr. Hunt spoke, “I’ve gotten over you years ago.”
- 2) The trying of the Testimony (proving time) as the enemy has a space to seek to entice the Servant of the Lord. This is essentially an attempt to cause one to build again the things which are destroyed that he might become a transgressor.
- 3) The spiritual senses (sight and touch) are heightened, wherein the Servant of the Lord recognizes, with clear vision, the enemy for who he is.

The major point of the dream speaks to how Dr. Hunt has overcome the enemy’s of God represented in the world, the flesh, and the devil. That he, Dr. Hunt, had been led by the Spirit to be tempted of the devil, was to demonstrate that he had been proven before God as one in whom

Satan had no place. Herein, the people of God in the leadership assembly ought to rejoice; as our Covering has overcome, so are we likewise.

### The Day After The New Day Ministry (Receiving from God)

The New Day Ministry is fully upon us. The Lord has shown that Dr. Hunt has been perfected and will continue to serve as an example of one who has been graced to fully overcome the World, the Flesh, and the Devil. Dr. Hunt's work is a spiritual one and increasingly the Lord will use his spirit to break down the principalities and strongholds of the enemy. Ephesians 6:12 tells us "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." The recent presidential election of Barack Obama is evidence of God breaking down principalities by way of Dr. Hunt's spirit. Dr. Hunt's spirit will serve as the principality behind Obama reconciling the world back to Himself by way of God's twofold gospel of character building and economic development.

Accordingly, there will come a day when the Lord will declare that His kingdom on earth is established and He has bound Satan and reclaimed from him the position of God of this world. This does not mean that all corrupt practices will cease, but rather, the governments of man will be guided by God and will be able to rightly judge as does God. It is at this point (still several years away) when The New Day Ministry will come to a close and Dr. Hunt's work in the body will be complete. But, absent the body, Dr. Hunt's ministry will continue via his spirit. This is the day referred to as "The Day after the New Day Ministry."

In The Day after the New Day Ministry, God will have His people alter the practice of recalling their angel upon completion of his daily work. Instead, His people will send forth their angels (spirit) and have him remain as God sees fit.

Dr. Hunt overcame the temptation of the enemy as manifested in the dream detailed above. The Lord has proclaimed him to be an over comer. In the process, the Lord has shown that Dr. Hunt, as mentor to us all, has paved the way so that everyone in the Leadership Assembly is now able to fully overcome the World, the Flesh, and the Devil. His people must now walk by His faith in His deliverance.
